Children in grades one and below must be picked up at 10:15 by a parent or someone designated by the parent (older sibling, etc.). Parents must notify the classroom teacher as to who is responsible for picking up the child. Any student in grade one or under who is not picked up by 10:20 will be placed in the church nursery.

PHOTO POLICY

Church activities provide many great photo opportunities! Sharing these photos provides a way to celebrate our diversity and lively ministries. Prospect Church reserves the right to photograph or videotape church-related activities and to use these photographs or video recordings for fellowship or publicity purposes in media such as, but not limited to, bulletin boards, flyers and brochures, congregational emails, church newsletters, projection during worship and fellowship time, the church website, and church Facebook page. No identifying information will be used in connection with these images. Prospect Church will not seek or require permission to release photos that depict large groups.

Parents/guardians who do not wish for their child’s photo or video to be displayed in any manner, as described above, should send a written notice or email to the Prospect office, and we will make every effort to exclude the indicated minor from group photography. Please note that children may still be included in general/crowd photos; however, you may always request that a photo be removed.

The request for permission below refers to small group or individual photography/videography in which your child is featured.

If instructions are different for individual children, please sign separate release forms.
